CHAPLAIN LEO KEELAN | HOPE CHAPLAIN

WHY I AM GOING

Your support will help me join an International Conference of Police Chaplains delegation to Israel. I am going to listen, learn, pray and serve police personnel and their chaplains with the compassion of Christ, bringing lessons home to strengthen care for Oregon first responders and families.

Proposed program: training at the Israel National Police Academy, debriefings with officers in Sderot and the north, and meetings with police chaplains. Activities may change.
