

Training for responder teams

Mental wellness | Leadership | Instructor development

CHAPLAIN LEO KEELAN

ResponderStrong Master Trainer

First responder chaplain serving agencies across Oregon
Peer support and CISM team member with ICISF training
Federation of Fire Chaplains instructor
Military service and a 22-year aviation career

THREE PROGRAMS AVAILABLE

Mental Wellness

For responders and frontline professionals

Recognize stress and stress injury, notice early changes, and practice supportive conversations. Explore suicide awareness, recovery, and ways to connect with help.

LeadStrong

For responder leaders

Protect your own capacity, recognize when team members are struggling, and practice supportive communication. Strengthen a team culture that supports recovery and seeking help.

Train the Trainer

Mental Wellness curriculum

Prepare to teach ResponderStrong's Mental Wellness curriculum in your agency or community. Build facilitation skills through curriculum review, teaching practice, and guidance on sensitive conversations.

FamilyStrong and RetireStrong

Anticipated in 2027; timing to be confirmed.

BRING TRAINING TO YOUR AGENCY

Fire, law enforcement, EMS, dispatch, corrections, search and rescue, and the frontline professionals who serve beside them.

Ask about agency trainings, academies, in-service days, and community partner events.

Take care of yourself. Take care of each other. Together, we are stronger.
